Virginia Author Releases New Children's Picture Book About a Talented Dancing Mouse

Paws and Claws Publishing author Cindy Hollingsworth wrote this charming book to detail the exploits of a dapper dancing mouse named Tippaley Toe who visits a girl in her home. This enchanting, rhyming story will have you tapping your toes to the descriptions of Tippaley Toe's graceful moves. The intriguing descriptions of the mouse will have readers and listeners looking forward to his next spins, leaps, and twirls. Cindy's book demonstrates for readers her lifelong love of dance.

GREENSBORO, NC—JUNE 17, 2016—At the start of Cindy's rhyming tale, *Tippaley Toe* has once again danced into the girl's home. She is delighted by the mouse's dances all around her. In his stylish French chapeau, Tippaley Toe entertains his young observer.

Tippaley Toe scared the girl when he danced a little too close to her cat sleeping in the sun in a stuffed chair.

The mouse's entertaining personality came out constantly in the wiggling of his nose, the tapping of his feet, and the twirling of his whiskers. He charmed his watcher with his antics. As he whirled, twirled, slid, and bounded, he showed his many skills in the art of dancing.

His red vest, bow tie, and white spats complete the picture of a polished performer. His only wish is to entertain, and he does so with glee.

Though the girl hates to see his show come to an end at bedtime, she knows she'll see Tippaley Toe again the next day. She wishes her friend a safe, restful sleep.

Both the rhyming text and the lively artwork in this book portray the delightful, entrancing, and talented characteristics of the dancing mouse.

Tippaley Toe is a charming, entertaining picture book for children. Readers will be tapping their toes along with the lighthearted, rhyming cadence of the text. The heartwarming artwork that graces the book will show readers how gracefully a dancer can move. Readers will be clamoring to read about Tippaley Toe's antics again and again. There will be certain to be giggles all the way around.
